Background/Supporting Information

The Minneapolis Department of Civil Rights annually contracts with several boards and organizations to provide compliance monitoring and enforcement. These include MCDA/CPED, MCDA/Heritage Park, Minneapolis Public Library Board, New Central Library, Minneapolis Park and Recreation Board, and Minneapolis Public Housing Authority. Since 1995 the Department of Civil Rights has performed compliance and monitoring activities for the Minneapolis Public Library Board. These activities were the result of a contractual agreement between the department and the MPLB. The Civil Rights Department has been informed by the Finance Department that contracts of this nature require Minneapolis City Council approval. The proposed contract is a yearly contract that will automatically renew each year unless terminated by the City or MPLB.
